The application seeks to approve alterations to the filed licensing plans for the store.

Implementation works have commenced and all works are being phased with the works completing on or about February 2020. John Lewis are essentially decreasing the size of their branch by losing space on upper floors which is to be redeveloped into other retail and leisure units for the shopping centre.

In summary the alterations are:

Upper ground

The retail space on this floor is being reduced (by half or thereabouts) thus changes to the remaining retail space

First floor

As above and the Partners Dining Room (PDR) is being relocated to this floor with new customer toilets next to the Customer Place to Eat (licensed for on sales). The PDR is licensed for on sales (for Partners and their bona fide guests) in addition there are other retail changes/layout/tills.

Lower ground floor

There are some internal changes and the retail space is being slightly increased into what was a back of house area

Second floor

Continued from previous page...

The PDR is being re-located to the first floor to provide retail space with consequent changes to retail area and storage/back of house areas.
