Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

As I am the personal license holder myself, I will make sure the objectives of the prevention of crime and disorder , public safety, the prevention of a public nuisance and the protection of children from harm learned from my personal license qualification courses are adhered to , and shared with all my staff , and their responsibilities are outlined in concise documents.

b) The prevention of crime and disorder

I will use or employ door supervisors at all times when a licensable activity is being carried out and I consider them necessary to:

- Prevent the admission and ensure the departure from the premises of drunk and disorderly persons, without causing further disorder;
- Keep out excluded individuals (subject to court or pub watch bans)
- Search and exclude persons suspected of carrying illegal drugs or offensive weapons; or
- Maintain an orderly queue outside the venue.

I will ensure that any Door Supervisors used are registered by the Security Industry Authority.

I will ensure that any person selling or supplying alcoholic drink under the authority of a personal licence holder asks for a photo ID proof of age where they have reason to suspect that the individual may be under 18 years of age.

I shall ensure that public information notices about crime and disorder issues are displayed at the request of the Council

I shall participate in the local pubwatch scheme operating in the area

I will ensure that lighting is provided outside the premises during the hours of darkness when any licensable activity takes place on the premises.

I shall ensure that public information notices about crime and disorder issues are displayed at the request of the Council or the local Constabulary.

c) Public safety

Adequate and appropriate First Aid equipment and materials are available on the premises.

Continued from previous page...

I will make sure that escape routes and exits, including external exits, are maintained to ensure that they are not obstructed, in good order with non-slippery and even surfaces, free of trip hazards and clearly identified.

I will make sure that notices detailing the action to be taken in the event of fire or other emergencies, including how the fire service should be summoned, are prominently displayed and protected from damage and deterioration.

I will make sure that when disabled people are present, adequate arrangements exist to enable their safe evacuation in the event of an emergency, and that patrons are made aware of these arrangements.

The premises will comply with all food safety regulations.

The premises currently has a disabled toilet facility on ground floor and access on level ground , this will remain.

In the absence of adequate daylight, I will make sure that the lighting in any area accessible to the public is fully operational.

I will make sure that in no circumstances is anyone permitted to:-

- (i) sit in any gangway;
- (ii) stand or sit in front of an exit; or
- (iii) stand or sit on any staircase including any landings.

I will make sure that I have valid public liability insurance in force and that a copy of the schedule is available for inspection by an authorised officer on request.

d) The prevention of public nuisance

Prominent, clear and legible notices will be displayed at all exits requesting the public to respect the needs of nearby residents and to leave the premises and the area quietly.

Any noise is monitored and correct levels are adhered to.

I will make sure that the placing of bottles into receptacles outside the premises takes place at times that will minimise disturbance to nearby properties.

I will control the waste and reduce by using sealed waste bins with close fitting lids, arranging that waste is collected on a regular basis by a reputable/licensed waste carrier, screening waste storage areas from sight and making sure the area can be properly cleaned and has adequate drainage and by also using a regular cleaning programme for all storage areas and waste bins.

I will ensure that flashing or particularly bright lights on or outside the licensed premises do not cause a nuisance to nearby properties, whilst balancing the need for lighting in the interests of prevention of crime and disorder.

It will ensure that the consumption of alcohol is restricted to the areas identified on the plan attached to the operating schedule.

e) The protection of children from harm

I will implement a proof of age policy agreed by the police and local authority.

I will not permit children under the age of 18 to access the premises after 20:00.

No unaccompanied children in the specific hours of alcohol consumption/ licensed activity.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
