The premise is situated within an area of commercial properties.

Cambridgeshire constabulary intends to submit evidence of violent incidents of note that have occurred at the premises and CCTV footage of some of these incidents, which will demonstrate the serious nature of our concerns and the lack of control the management have of the premises.

On one of these occasions the management failed to report a serious assault to Police.

There is intelligence to suggest that several underage persons drank at the premises prior to an affray that occurred in Peterborough City Centre.

Cumulative Impact Policy

The Premises is situated within an area where any application which requests 'Off sale' of alcohol will be subject to the cumulative impact policy. The evidence basis for this decision is detailed in the Cumulative Impact Assessment (CIA).

CIA Statement (<https://www.peterborough.gov.uk/asset-library/CIA-statement.pdf>) and the decision by members to continue with the CIA Policy.

Peterborough City Council's 'Statement of Licensing Policy', advises the following:

Paragraph 12.4 states:

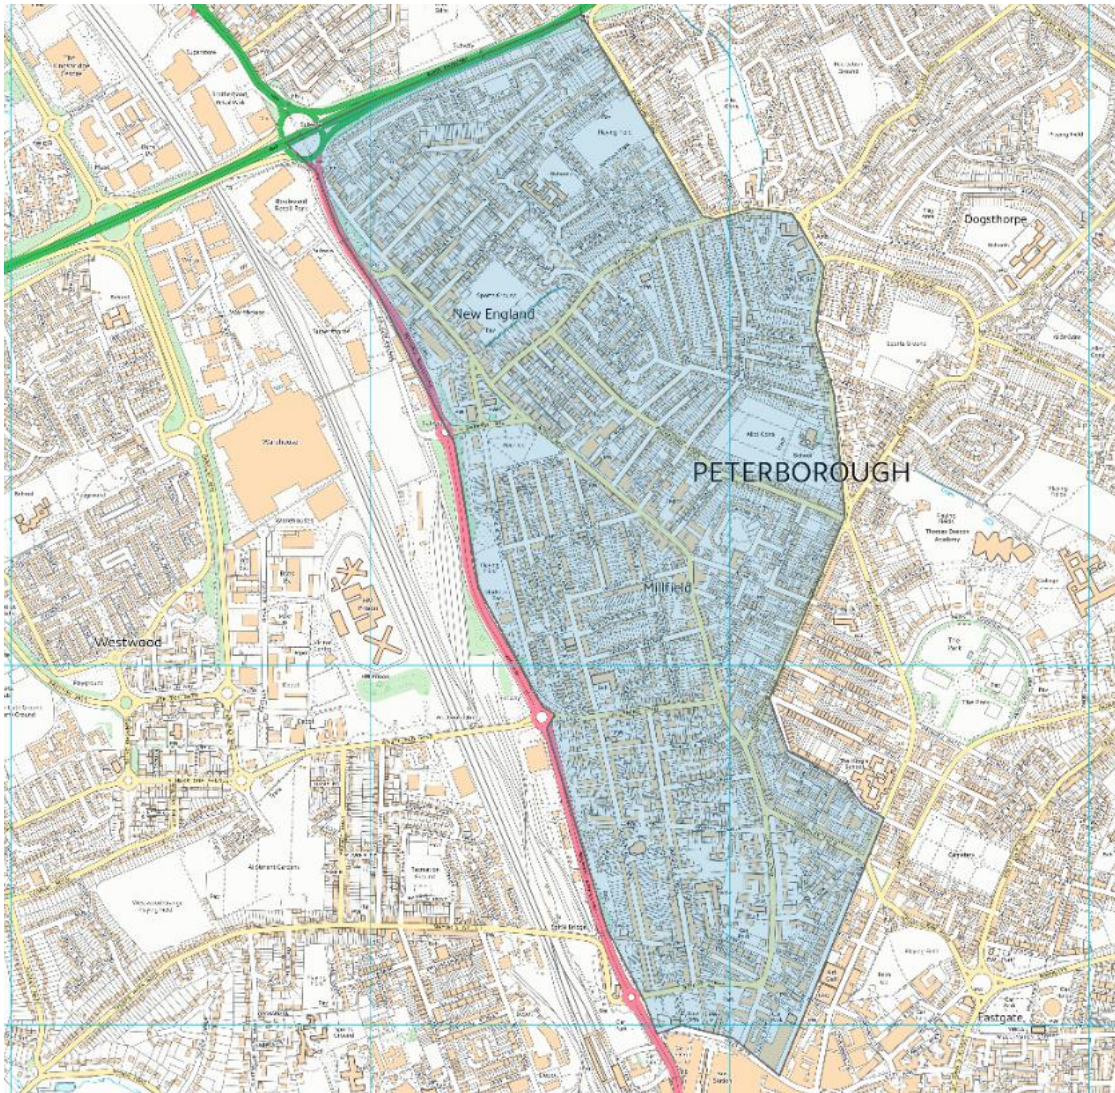

"A CIP (Cumulative Impact Policy) creates a rebuttable presumption that relevant applications within the 'Can-Do' area for new premises or club premises certificates or variations that are likely to add to the existing cumulative impact will normally be refused, if relevant representations are received about the cumulative impact on the licensing objectives, unless the applicant can demonstrate why the operation of the premises involved will not add to the cumulative impact already being experienced".

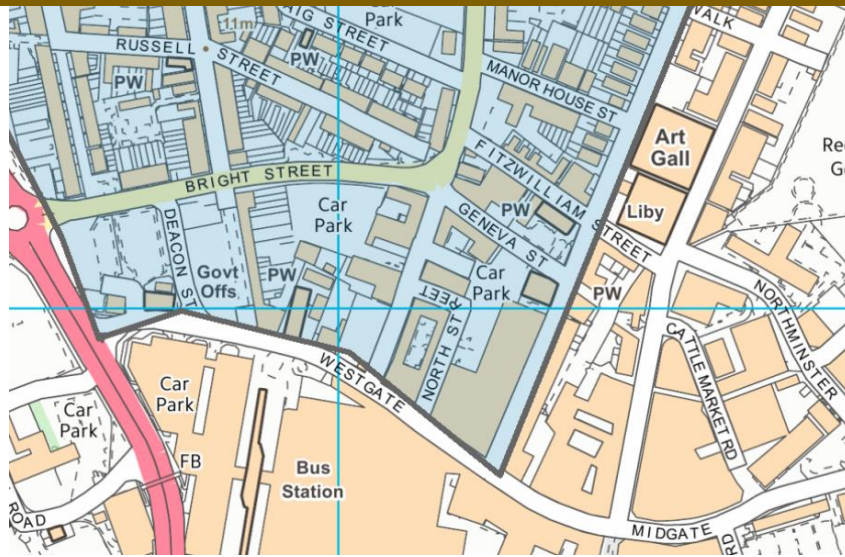

Para 12.11 states:

"Applicants will need to address the CIA in their operating schedules in order to rebut such a presumption."

MAP of CIA Area below

Clear, Hold, Build – Op Alliance

The location is also within the area recently adopted for the **“CLEAR, HOLD, BUILD”** initiative. Which is a multi-agency partnership tactic, designed by the Home Office and endorsed by the Policing Inspectorate, to rescue areas of the country most blighted by organised crime. At the time of completing this submission the Peterborough project is still at the Clear stage, despite its implementation being over 12 months ago.

Aim

The initiative aimed to:

- tackle organised crime groups (OCGs) acting in the neighbourhood.
- build community resilience.
- improve confidence and trust in the police.
- make the area a safer place to live.

This is achieved through three flexibly deployed phases of activity – clear, hold and build (CHB).

Clear

The clear phase involves initial targeted enforcement activity (arrests and relentless disruption) that target OCG members, their networks, business interests, criminality, and spheres of influence. The police use all powers and levers to impact on their ability to operate, creating safer spaces to begin restoring community confidence.

Hold

The hold phase involves consolidating and stabilising the initial clear phase to stop remaining or other OCG members capitalising on the vacuum created.

This phase aims to improve community confidence by ensuring spaces remain safe. Visible neighbourhood policing in hot spot areas is used to provide continuing reassurance.

Build

The build phase involves a whole-system approach to delivering community-empowered interventions that tackle drivers of crime, exploitation of vulnerabilities and hotspots of harm.

This phase aims to build:

- improved engagement with services
- increased confidence within the community
- greater reporting through to police and partnerships through continued neighbourhood policing and partnerships working.

Guidance issued under section 182 of the Licensing Act 2003

11.24 "...Licensing authorities do not have the power to judge the criminality or otherwise of any issue. This is a matter for the courts. The licensing authority's role when determining such a review is not therefore to establish the guilt or innocence of any individual but to ensure the promotion of the crime prevention objective."

11.26 Where the licensing authority is conducting a review on the grounds that the premises have been used for criminal purposes, its role is solely to determine what steps should be taken in connection with the premises licence, for the promotion of the crime prevention objective. It is important to recognise that certain criminal activity or associated problems may be taking place or have taken place despite the best efforts of the licence holder and the staff working at the premises and despite full compliance with the conditions attached to the licence. In such circumstances, the licensing authority is still empowered to take any appropriate steps to remedy the problems.....

11.27 confirms the following;

- for the illegal purchase and consumption of alcohol by minors which impacts on the health, educational attainment, employment prospects and ***propensity for crime of young people.***

11.28 It is envisaged that licensing authorities, the police and other law enforcement agencies, which are responsible authorities will use the review procedures effectively to deter such activities in crime. Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence - even in the first instance - should be seriously considered.

Cambridgeshire Constabulary as a responsible authority respectfully requests the licence be reviewed and consideration be given to the removal of the current DPS, additional conditions added to the premises licence and a suspension of the licence due to the seriousness of the incidents.
