Provisions of Part III of the Act as adapted and modified to apply to this Order.

15(1) The Minister may give directions to the authority requiring that any application for consent under the order, or all such applications of any class specified in the directions, shall be referred to the Minister instead of being dealt with by the authority, and any such application shall be so referred accordingly.

(2) Where an application for consent under the order is referred to the Minister under this section, the provisions of paragraphs 4 and 5 of the Order shall apply in relation to the determination of the application by the Minister as they apply in relation to the determination of such applications by the authority;

Provided that before determining any such application the Minister shall, if either the applicant or the authority so desire, afford to them an opportunity of appearing before and being heard by a person appointed by the Minister for the purpose.

(3) The decision of the Minister on all applications referred to him under this section shall be final.

Appeals  
to the  
Minister

16(1) Where application is made to the authority for consent under the Order and that consent is refused by that authority or is granted by them subject to conditions ~~or where any certificate or direction is given by the authority~~, then if the applicant is aggrieved by their decision on the application, ~~or by any such certificate or direction~~ he may, by notice in writing served within 28 days from the receipt of notification of their decision, ~~certificate or direction~~, or such longer period as the Minister may allow, appeal to the Minister.

(2) Where an appeal is brought under this section from a decision ~~certificate or direction~~ of the authority, the Minister may allow or dismiss the appeal or may reverse or vary any part of the decision of the authority, whether or not the appeal relates to that part, ~~or may vary any certificate or direction~~, and may deal with the application as if it has been made to him in the first instance, and the provisions of the last foregoing section shall apply, subject to any necessary modifications in relation to the determination of an application by the Minister on appeal under this section as they apply in relation to the determination by the Minister of an application referred to him under that section.

(3) Unless within two months from the date of receipt of an application for consent under the Order, or within such extended period as may at any time be agreed upon in writing between the applicant and the authority, the authority either -

- (a) give notice to the applicant of their decision on the application, or
- (b) give notice to him that the application has been referred to the Minister in accordance with the directions given by him under the last foregoing section.

Revoca-  
tion or  
modifica-  
tion of  
consent

(4) If any person on whom an enforcement notice is served under this section is aggrieved by the notice, he may, at any time within the period mentioned in the last foregoing subsection, appeal against the notice to a court of summary jurisdiction for the petty sessional division or place within which the land to which the notice relates is situated; and on any such appeal the court:-

(c) in any other case shall dismiss the appeal.

(5) Any person aggrieved by a decision of a court of summary jurisdiction under the last foregoing subsection may appeal against that decision to a court of quarter sessions.

mentary  
provi-  
sions as  
to en-

24(1) If within the period specified in an enforcement notice, or within such extended period as the authority may allow, any steps required by the notice to be taken (other than discontinuance of cutting down, topping lopping, or wilful destruction of any trees or groups of trees) have not been taken, the authority may enter on the land on which the trees or groups of trees are situated and take those steps, and may recover as a simple contract debt in any court of competent jurisdiction from the person who is then the owner of the land, or the person who is entitled to fell the trees, any expenses reasonably incurred by them in that behalf,

(2) Where a person other than the owner of any land is entitled to fell trees to which an enforcement notice under the last foregoing section relates, any expenses incurred by the owner of such land for the purpose of complying with such enforcement notice and any sum paid by the owner of any land under the foregoing subsection in respect of the expenses of the authority in taking steps required to be taken by such notice, shall be deemed to be incurred or paid for the use and at the request of the person entitled to fell trees as aforesaid.

- (4) If any person on whom an enforcement notice is served under this section is aggrieved by the notice, he may, at any time within the period mentioned in the last foregoing subsection, appeal against the notice to a court of summary jurisdiction for the petty sessional division or place within which the land to which the notice relates is situated; and on any such appeal the court:-
